Very truly I tell you, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds.
John 12:24

Dear Friends,
Greetings from Argentina!

We write with much pain and sadness. My wife Ellen, of only 53 years of age, went to be with Jesus on Wednesday, August 19th at 6:30 am. She was my companion, friend, helper, wife of 32 years, mother of our two sons Stephen (27 years) and Christopher (23 years), missionary/pastor for nearly 30 years serving in Argentina, a virtuous woman, the love of my life and I needed but the Lord needed her more.

She was diagnosed with leukemia on April 28th, she was admitted for 35 days for treatment and they cancer was gone. They recommended a bone marrow transplant for the aggressive subtype of leukemia and July 7th our son Stephen would donate his marrow. On July 22th she entered into a septic shock from a bacteria in her blood and was in a medically induced coma for 30 days. During this time, there were three times when the doctors told us she would not last more than 24 hours but by the grace of God and Ellen's incredible strength, she was with us 30 days more and was taken into the presence of the Lord in the early hours of August 19th.

I love her so much and I thank God for this special woman!!! Thank you for all who prayed for her and our family, and I ask you to continue to pray, we will need a lot. I will continue as a missionary/pastor of the church we planted together with Ellen in 2013 here in San Isidro, Buenos Aires, and I will continue planting, promoting and planters trained in

To the Pastors and Churches: during the month of October and November I will be in the United States visiting pastors and partners in ministry if they would like to have us for a service, coffee, or lunch we will be available for a few months. Send me an email rocco.ditrollo@agmd.org

We love you and appreciate all who are part of our lives and ministry! Many things we do not understand but will continue to rely on the plan and purpose of God.

***Yours for the Harvest,
Rocco DiTrollo***

Argentina and throughout the Spanish-speaking world. I feel from the Lord to "multiply" the church planting effort, what we have done so far is nothing compared to what God wants to do.

Because of Ellen's passion for church planting during her missionary career, we have set up a fund in her honor to assist church planting efforts in Latin America. Gifts may be sent and designated as follows:

ASSEMBLIES OF GOD WORLD MISSIONS
1445 N. Boonville Avenue
Springfield, MO 65802
