Dear Friends,

There are two passages of scripture that the Lord showed me just prior to the most difficult time of my life the home going of Ellen. One came when we were having our physical and the other just after we found out about the possibility of her sickness.

Job 23:10 But he knows the way that I take; when he has tested me, I will come forth as gold. **11** My feet have closely followed his steps; I have kept to his way without turning aside. **12** I have not departed from the commands of his lips; I have treasured the words of his mouth more than my daily bread.

Lamentations 3: 22 Because of the Lord's great love we are not consumed, for his compassions never fail. **23** They are new every morning; great is your faithfulness. **24** I say to myself, "The Lord is my portion; therefore I will wait for him." **25** The Lord is good to those whose hope is in him, to the one who seeks him; **26** it is good to wait quietly for the salvation of the Lord. Well, what can we say but God is faithful!

Well, what can we say but God is faithful! These have been very difficult days. It has been so hard. I miss my Ellen so very much! I can't begin to tell you, but I continue to look to the Lord for His grace every day. Thanks so much for helping to hold up our hands in prayer. We need your continued prayers!

Family News

Stephen is getting married to Courtney Rees on October 23 in Pennsylvania. We are excited for them and appreciate your prayers. They will continue to live and minister here in

Argentina.

Christopher worked at the AG MK Missionary Renewal this past summer for over a month. It was a great opportunity for him to serve. While there, the Lord opened the opportunity for him to help lead a MK retreat in Germany. Thanks for your prayers for God's direction and blessings on

the boys.

Life Christian Center- Anniversary/Missions Convention

When Ellen was in the hospital in the final days. I sensed a desire from the Lord to double our efforts and desired to see a greater work done for the Kingdom of God. We continue to move forward in His grace and strength. The church in San Isidro is continuing to grow. We celebrated our 3-year anniversary with a mission's convention. In fact, the whole month of March is a month of missions outreach and focus.

Missions Trip- School of Evangelism- New Church

Planting- Formosa

We had seven people from our church go on a missions trip to Formosa to help with the launching of a new church in Las Lomitas, a city of 30,000 people in the heart of Formosa. We also had 10 from Florida's First Assembly in Wauchula, as well as over 15 from the church in Formosa with Pastor Ruben Martearena. There was a School of Evangelism, to prepare the students in evangelism, in morning classes and afternoon ministry on the streets with nightly services preached by Evangelist Greg Hubbard. God moved in a tremendous way with over 60 giving their heart to the Lord and a number of miracles.

Leadership Seminar Pastors and Leaders- February 2016

We were excited to receive Pastor Tim and Jacquie Schmidt from Calvary Christian Church in Lynn, Massachusetts. They were a tremendous blessing as they shared on "The Way of the Shepherd" during the day and ministry nightly. We were happy to also have Pastor Jim Cymbala minister on one of the evenings. He was a blessing to the pastors and leaders. Our vision and burden is that these meetings will be an encouragement and training to national pastors and leaders.

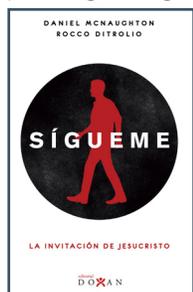

Church Planters Network

We continue help with the church planting ministry of FHAD, which is CEPI, Comisión de Evangelismo y Plantación de Iglesias under the direction of Jerry Brown. Our desire is to see each country begin a ministry of church planting that will impact their nation for Christ. The task is great with such a large number of people to be reached for Christ. There are over 500 million still to be reached with the Good News. Thanks for your prayers.

New Books

We are also continuing to promote the Red de Plantadores, which is desirous of providing training, investigation and materials for church planting. One of the resources that came out last year was **SÍGUEME: La Invitación de Jesucristo**, a discipleship book with many resources to train spiritual coaches.

Hot off the press, is **La ADN de la Plantación de Iglesias**, a book to inspire and train

new church planters. This book has our stories and struggles with the churches planted as well as photos and action questions at the end of each chapter.

It's great to be serving the Lord and His work in Argentina. Thanks again for your prayers and continued support!

**Yours for the Harvest,
Rocco**
